

AMERICAN FORGE & FOUNDRY INC.

JULY - DECEMBER 2023

JAXX REPORT

WHAT'S NEW?

2-Ton Heavy-Duty Floor Jack **202HD**

NEW

- Innovative Lightning Lift™ hydraulic lift system provides ultimate performance and maximum speed
- Robust, durable steel body design provides rigidity & stability
- Tough UV powder-coated frame withstands even the harshest environments
- Universal joint technology provides a smooth and controlled descent even at max height
- Industrial-quality seals and O-rings ensure a long service life and leak-free operation

\$255.95

2-Ton Long Chassis Floor Jack **202LCJ**

NEW

- Innovative Lightning Lift™ hydraulic lift system provides ultimate performance and maximum speed
- Heavy-gauge steel and flanged side plates provide unsurpassed strength and durability
- Ultra-low, 2.9" low lift height is ideal for servicing low-rise vehicles
- Universal joint technology provides a smooth and controlled descent even at max height
- Crowned front wheels decrease surface contact on the floor for effortless travel

\$375.95

3.5-Ton Heavy-Duty Floor Jack

NEW

- Innovative Lightning Lift™ hydraulic lift system provides ultimate performance and maximum speed
- Robust and durable steel body design provides rigidity and stability
- Tough UV powder-coated frame withstands even the harshest environments
- 350HD: One-piece handle

350HD \$335.95

352HD \$330.95

3.5-Ton Super-Duty Floor Jack **352SD**

NEW

- Innovative Lightning Lift™ hydraulic lift system provides ultimate performance and maximum speed
- Heavy-gauge steel and flanged side plates provide unsurpassed strength and durability
- Universal joint technology provides a smooth and controlled descent even at max height
- Crowned front wheels decrease surface contact on the floor for effortless travel

\$364.95

4-Ton Heavy-Duty Floor Jack **400SS**

NEW

- Innovative Lightning Lift™ hydraulic lift system provides ultimate performance and maximum speed
- Robust and durable steel body design provides rigidity and stability
- Tough UV powder-coated frame withstands even the harshest environments
- Universal joint technology provides a smooth and controlled descent even at max height

\$348.95

4-Ton Super-Duty Floor Jack **402SD**

NEW

- Innovative Lightning Lift™ hydraulic lift system provides ultimate performance and maximum speed
- Heavy-gauge steel and flanged side plates provide unsurpassed strength and durability
- Universal joint technology provides a smooth and controlled descent even at max height
- Crowned front wheels decrease surface contact on the floor for effortless travel

JACKS AND CREEPERS

3.5-Ton Heavy-Duty Floor Jack

- Innovative Lightning Lift™ hydraulic lift system for ultimate performance and maximum lifting speed
- Durable steel body design provides rigidity and stability
- Tough UV powder-coated frame
- Universal joint technology provides a smooth and controlled descent even at max height
- Industrial-quality seals & O-rings ensure a long service life and leak-free operation
- Ball-bearing rear-mounted swivel casters provide easy maneuverability
- Foam pad on handle & cushioned saddle prevent damage to vehicle finish and lift points
- Large saddle provides generous lifting area and a secure grip
- Built-in bypass system prevents accidental overload and improves operator safety

\$240.95

NEW

3.5-Ton Heavy-Duty Floor Jack

- Innovative Lightning Lift™ hydraulic lift system for ultimate performance and maximum lifting speed
- Durable steel body design provides rigidity and stability
- Tough UV powder-coated frame
- Universal joint technology provides a smooth and controlled descent even at max height
- Industrial-quality seals & O-rings ensure a long service life and leak-free operation
- Ball-bearing rear-mounted swivel casters provide easy maneuverability
- Foam pad on handle & cushioned saddle prevent damage to vehicle finish and lift points
- Large saddle provides generous lifting area and a secure grip
- Built-in bypass system prevents accidental overload and improves operator safety

\$285.95

NEW

20-Ton Air/Hydraulic Truck Axle Jack 520

- Ideal for lifting trucks, trailers, and heavy-duty equipment
- Lightweight design is ideal for mobile repair service
- Self-retracting ram eliminates manual lowering of the jack
- Oil-resistant polyurethane-wrapped wheels provide increased mobility around the shop floor
- Fast, efficient air motor reduces time to lift the load
- Narrow chassis design fits easily between tandem wheels
- Overload and bypass safety valves prevent the jack from being used beyond its rated capacity

\$530.95

NEW

2-Ton Folding Engine Crane 3583

- Designed for lifting car and truck engines
- Heavy-duty welded construction with rugged tubular steel
- Dual-pump piston provides fast, efficient lifting speed
- Four boom positions adjust for optimal reach
- Foldable legs and boom provide convenient, easy storage
- Six 360° metal swivel casters for smooth, transportation around the shop floor
- Hydraulic ram is equipped with a safety by-pass mechanism
- 360° hook adds greater flexibility in positioning lifting chains during removal and installation

\$616.95

NEW

Super Duty Creeper XL 3909

- Extra-long 47" length and over 440 lb total capacity
- Made with 100% high density polyethylene
- Large urethane wheels provide corrosion resistance and a smooth ride
- Magnetic trays keep tools and parts within reach at all times
- Constructed with "breathing holes" for added ventilation and comfort
- Oversized molded trays to store tools and parts
- Easy to clean surface is resistant to solvents and grease
- 47" L x 23.6" W x 4.7" H

\$116.95

HDPE Mechanic's Creeper 57100

- Low profile design easily clears the undercarriage of most vehicles
- 100% high density polyurethane (HDPE) material provides maximum strength and long life
- HDPE material will not warp or bend even in extreme hot or cold working environments
- Carrying handle makes it easy to pick up, position or transport
- Casters are oil, grease and chemical resistant

\$109.95

VIKING

HEAVY-DUTY SHOP EQUIPMENT

22-Ton Air Assist Truck Axle Jack 565F

- Long T-handle design allows easy access to vehicles with long overhangs
- Large 8" diameter rubber wheels
- Fully welded hydraulic pump and cylinder delivers maximum strength and leak-free operation
- Heavy-duty wiper seals protect the system from contaminants & ensures long service life
- Overload safety valve provides added operator safety

\$699.95

10-Ton Air End Lift 3598

- 10-ton capacity achieved at 200-PSI air supply
- 4" x 6" steel saddles adjust between 36" and 50" widths
- Saddle arms reversible for low height loads
- 3-way air valve for fine lifting and lowering
- Automatic mechanical safety lock engages at 5 lift heights from 17-1/2" to 50"
- Two air control valve fittings - one for shop air supply and one for a Schrader valve
- Front swivel caster & two pneumatic rear tires
- 13" forward reach (from cylinder to saddles)

\$4,399.95

2,500-lb Capacity Power Train Lift/Table 3182

- Safety latches at 30%, 50%, and 80% of max height
- Air-assist foot pump with 9' extension
- Scissor lift design allows access to all 4 sides of the component
- Tabletop height from 33" to over 77"
- 2 heavy-duty ratchet tie-downs included to secure the load
- 8" diameter swivel casters for easy maneuverability

\$6,199.95

10-Ton Air Lift Jack 3400A

- 10-ton capacity achieved at 200-PSI air supply
- Heavy-duty air valve offers accurate lift control
- Removable "T" handle for easy storage
- Extension tubes offer multiple lifting and locking positions
- 12" lift travel
- Large-diameter rubber tread wheels
- Low height 18"
- High height with all extensions used: 52"

\$999.95

20-Ton Wide-Stance Truck Ramps 3420ASD

- Large heavy-duty wheels and long retractable handle allow easy movement across the shop floor
- Diamond plate surface is designed with weight in mind
- Features a rubber non-skid pad to prevent slippage
- Suitable for large truck tires up to 16" maximum width
- Dimensions: 47" L x 18.25" W x 9.25" H

\$1,159.95

20-Ton Super Duty Shop Press 850ASD

- Fully welded construction for exceptional strength & durability
- 7-position bed height configuration for ultimate flexibility
- Lateral head adjuster provides smooth side-to-side movement
- 10-PC pin and bearing press adapter set for a variety of press applications
- Glycerin-filled gauge accurately shows

\$1,859.95

Low Profile Transmission Jack 1000-lb - 3171A | 2000-lb - 3172A

- Ideal for light- to medium weight truck transmissions
- Low profile style provides superior clearance
- Wide chassis design for efficient load distribution and increased stability
- 4-way tilting head allows easy positioning for installation and removal of transmissions

3171A \$715.95
3172A \$1,019.95

3000-lb Low Profile Transmission Jack 3179A

- Low profile style provides superior clearance
- Wide chassis design for efficient load distribution and increased stability
- 4-way tilting head allows easy positioning for installation and removal of transmissions
- Fully adjustable universal saddle with adjustable arms for easy positioning
- Long handle pivots 360° around the pump

\$1,594.95

4400-lb Transmission Jack 3180A

- Fully adjustable saddle with maximum tilt for easier alignment
- Adjustable corner brackets
- Convenient side trays for small tools and parts
- Safety overload bypass system to prevent hydraulic damage
- 32" handle pivots 360° around pump
- Rugged industrial-grade 4" casters

\$1,772.95

WHAT'S HOT?

20-Ton Air-Assist Bottle Jack 54200

- Effortless air operation reduces user fatigue
- Fully welded construction provides maximum strength and leak-free operation
- Aluminum air motor design delivers fast, consistent, and reliable operation
- External return springs accelerate ram retraction for maximum productivity
- Safety bypass system prevents accidental overload
- Meets 2014 PASE/ASME Standards

\$199.95

Clutch Jack 3700

- Provides one-man operation for removal, installation, and transportation of heavy-duty truck clutches
- Includes two splined alignment shafts (2" OD x 1.18" and 1.75" OD x .938 pilot)
- Unique pinned alignment shaft allows technician to remove jack to install clutch assembly without obstruction
- Clutch assemblies can be built on the vertical shaft and then positioned easily under the truck

\$734.95

1" Air Impact Wrench with 6" Extended Anvil 7685

- Produces 1,912 ft-lbs of hard-hitting torque
- Rocking dog hammer mechanism for power and durability
- 6" extended anvil for easier reach
- 3 forward and 3 reverse speeds for maximum control
- Ideal for agricultural and general shop applications

\$349.95

Ratchet-Type Safety Stands with Double-Locking Mechanism 3-Ton - 3303A | 6-Ton - 3306A

- Used and sold in pairs for supporting automotive vehicles after lifting
- Ductile iron support column with ratchet teeth provides multiple height positions

3303A **\$59.95**

3306A **\$114.95**

4-Ton Ratcheting Jack Stands 55040 6-Ton Jack Stand Set 55060

- Wide pyramid base design provides added support and security
- Large saddle allows better contact with the load and improves safety
- Ratchet bar is made from ductile iron for dependable strength and toughness
- Multi-position ratchet bar instantly locks into place during adjustment

55040 **\$64.95**

55060 **\$104.95**

22-Ton Pin-Style Safety Stand 6522

- Sold individually
- 22-ton capacity achieved when used in pairs ideal for supporting trucks, trailers and equipment in industrial, agricultural, construction work environments
- Large V-shaped saddle allows better contact with the load
- Pin-style design provides maximum security even under the heaviest loads
- Heavy-gauge steel frame design prevents warpage

\$199.95

22-Ton Air Assist Truck Axle Jack 565F

- 30% faster air motor than 565E
- Compact and low-profile design
- Fully welded hydraulic pump and cylinder

22-Ton Pin-Style Truck Stand Set 6422

- Heavy-gauge all-steel construction provides maximum strength and durability
- Multiple pin holes allow quick and easy adjustment
- Large V-shaped saddle cradles axles and other components
- Large base provides a stable working platform even on rough terrain
- Carrying handle adds convenience and easier positioning

565F-6422

\$829.95

Tractor Seat 57108

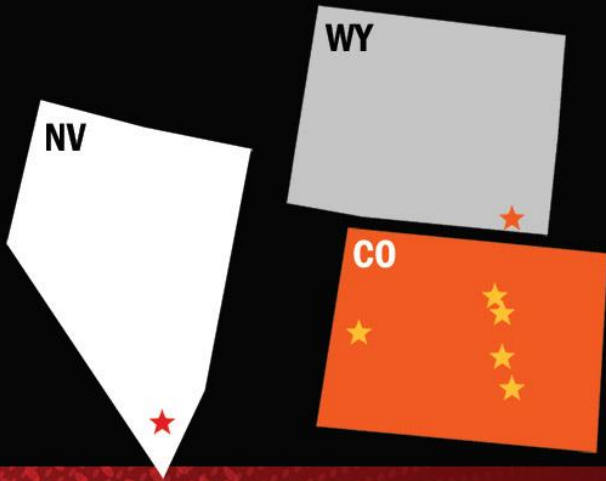

- Solid, one-piece ergonomic-style cushioned rubber seat provides maximum comfort
- Adjustable and 360° swivel seat provides unlimited versatility
- Five heavy-duty chrome finished casters with rubber tread easily rolls over cords, hoses, cracks, and other floor debris
- Large, segmented tool tray keeps parts and accessories always within reach
- Fast and easy setup with no nuts or bolts

\$149.95
